

## **Develop your employability skills and future prospects with our award-winning work experience programme at The Sheffield College**

As a student at The Sheffield College you will be involved in work experience activities and/or work placements as part of your study programme. This will develop your employability skills, boost your prospects and help prepare you for your future career.

Work Experience is .....

- A compulsory part of your study programme and just as important as Maths, English and the qualifications you are aiming for.
- A fantastic way to improving your job prospects and gaining an insight into your chosen industry.
- An opportunity to develop key employability skills which are highly valued by employers and on the top of their recruitment list !
- Time to practice and perfect transferrable skills such as resilience, commitment, enthusiasm and flexibility.
- A boost for your CV and will help you to secure an interview for an apprenticeship, job or a place at University.
