Go Further 2025/26
A Guide to
Apprenticeships

**The
Sheffield
College**

GO FURTHER GO FURTHER GO FURTHER GO FURTHER GO FURTHER GO FURTHER

Welcome

Apprenticeships offer an exciting route for you to go further in your career.

If you are keen to spend most of your week being trained by an employer in the workplace, an Apprenticeship may be a great option for you.

On an Apprenticeship, you will develop industry knowledge, skills and experience whilst you earn and learn in the workplace.

Employers value the opportunity to train the next generation to their business and industry needs.

In addition to being employed and earning a wage, you will work towards achieving qualifications and skills that will benefit you, your employer and your future career.

As an Apprentice, you will be part of a valuable talent pipeline that supports an employer's business or organisation to flourish and grow.

All of this puts you in a prime position for enhancing your employment and career prospects once you have completed your Apprenticeship.

There are lots of Apprenticeships available with a wide range of employers in Sheffield and beyond. Many different sectors are keen to recruit Apprentices.

They include engineering, construction and building trades, business and professional, childcare and education, floristry, hospitality and catering, science, dental and pharmacy, health and social care and IT and computing.

At The Sheffield College, Apprenticeships+ have the expertise to help you succeed on your education and training journey.

We are proud that our college and Apprenticeship provision are Ofsted graded 'good'.

As the largest Apprenticeship provider in the city and region, we have great links with employers. Around 800 employers are involved in our Apprenticeship programmes.

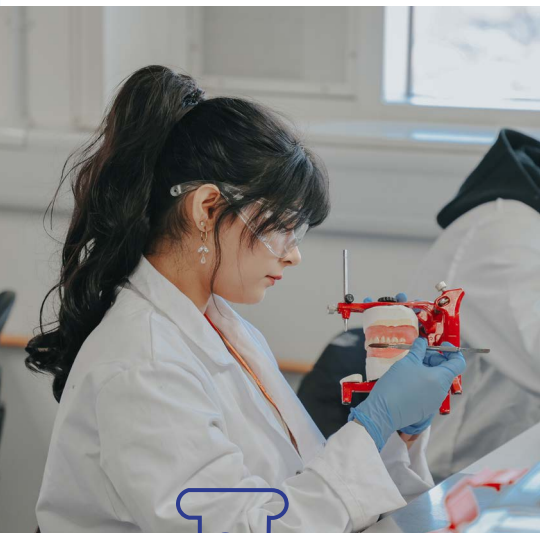

We know that our Apprentices understand the knowledge, skills and behaviours they need to develop in order to contribute effectively within their job roles.

We are looking forward to welcoming you to the college and supporting you to go further in your career.

Angela Foulkes
Chief Executive
and Principal,
The Sheffield
College

What is an Apprenticeship?

An Apprenticeship is the best of both worlds! Not only will you be employed full-time and earning a wage, but you will also be working towards achieving a qualification and skills, knowledge and behaviours that will benefit you, your employer and your future career.

How to apply

Just like any job, applying for an Apprenticeship follows a recruitment process. Our team of recruitment experts do everything they can to support you and give you every chance of being successful.

ROUTE 1 – Apply for a specific vacancy

Check out our live Apprenticeship vacancies on our website and apply online by completing the application form.

ROUTE 2 – Register your interest

If you can't find a vacancy you're interested in right now, you can register your interest for that type of Apprenticeship and we'll let you know when a vacancy becomes available.

Please be aware that registering your interest for a standard does not guarantee that you will start an Apprenticeship within a few weeks – you will still need to find an employer to complete your Apprenticeship with!

Or

If you know a company or employer who is looking for an Apprentice and wants to hire you, let us know. We can take you and the employer through the process together.
